Hello Camper Parents and Guardians,

The Henderson Family YMCA is very excited about our 2018-2019 After School Camp. We look forward to serving you and your children and sincerely hope that they have the best after school experience possible.

After School Camp fees are based upon 181 days of after school care divided into nine (9) convenient monthly payments. These fees cover care for all instructional school days, including early release days. For the safety of our campers and staff, YMCA buses do not transport campers on inclement weather early release days.

All Day Camp is available for an additional fee to provide camp on teacher workdays, holidays and track out days. This service is billed separately.

Payments for After School Camp are due on or before the first day of each month. If payment is not received by the 5<sup>th</sup> day of the month, you will be contacted and service may be suspended. Service will resume once payment is made in full.

Please review and keep the attached Policy Sheet which also includes pricing information.

Thank you for choosing the Henderson Family YMCA to provide after school and out of school camp care for your child. Please feel free to contact us should you have any questions.

Thank you.

Bonny Strange  
Senior Director of Business Services

Kim Davis  
Director of Camps
