Any camper wishing to bring his or her own snack may do so. When campers are in attendance all day due to teacher workdays, holidays and track-out days they are to bring lunch unless otherwise specified. Water will be provided by the camp. Campers are not allowed to make purchases from the vending machine. A child will not be allowed to leave with anyone other than their parents or identified designated adults.

Swimming

A swimming schedule will be provided for parents. Our swimming months are September through October and April through August. Your child will need to bring a swimsuit, towel, and brush or comb. Please put your camper's name on all items with a permanent marker and send an extra set of clothes if you feel it may be needed.

Transportation/Attendance

Please note that all children are to display proper conduct while on the YMCA bus. If a child does not display proper conduct while on the bus, this can be cause for suspension. Good behavior on the bus is a must for both the safety of the children as well as the driver and staff. **If a child will not be attending the program, the parent is responsible for notifying the After School Camp Program by 2:30pm the day of the absence, or the day preceding the absence.** This policy also applies to the Dabney and Henderson Collegiate school students that are bussed to the YMCA. This will eliminate delays at schools so that the driver will not be waiting for children who will not be attending the camp. ***There will be a \$5.00 charge for failing to notify the YMCA if your child is not riding the bus (\$5 charge per camper) – this policy will be strictly enforced.***

Withdrawal

The **Henderson Family YMCA After School Camp requires a two-week notice** when a parent wishes to withdraw their child from the program. A withdrawal form must be completed and all accounts must be paid in full.

Handicaps

Unusual physical or mental conditions will be evaluated on an individual basis prior to admittance to the camp program.

Illness and Medication

Each child must have a completed medical form prior to entering the camp and **immunization records must be kept on file.**

When a child becomes ill at the camp and is suspected of having an infectious disease, he/she will be separated from the other campers until a parent or authorized person comes to pick the child up. The child should not return to the camp until the illness is cured, has run its course, or has been diagnosed by a physician with a doctor's note stating that the illness is not infectious nor contagious. The Director of Camps may refuse to admit any child who is suspected of having any infectious disease into the center.

If medication is to be taken by a child during hours of operation (prescription or non-prescription drugs), a Medication Form must be filled out and signed by the parent or guardian. This form will be provided upon request.

Incidents

If a child is injured, the Director of Camps will take whatever steps necessary to obtain emergency medical care and will record the incident and actions taken. These steps may include, but are not limited to:

- Attempt to contact parent/guardian or emergency contact person
- Call an ambulance or paramedic.
- Take a child to the hospital, accompanied by a staff member.

Child Abuse and Neglect

Child abuse and neglect is prohibited and will not be tolerated. All staff is required by law to report any case of suspected child abuse or neglect. Reports will be made through the Director of Camps to the YMCA Executive Director and then to the Vance County Department of Social Services.

Discipline and Behavior Management Policy

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, nonviolent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy:

We:

1. DO praise, reward, and encourage the children.
 2. DO reason with and set limits for the
 3. children.
 4. DO model appropriate behavior for the children.
 5. DO modify the classroom environment to attempt to prevent problems before they occur.
 6. DO listen to the children.
 7. DO provide alternatives for inappropriate behavior to the children.
 8. DO provide the children with natural and logical consequences of their behaviors.
 9. DO treat the children as people and respect their needs, desires, and feelings.
 10. DO ignore minor misbehaviors.
 11. DO explain things to children on their levels.
 12. DO use short supervised periods of "time-out"
- DO stay consistent in our behavior management program.

1 We:

1. DO NOT spank, shake, bite, pinch, push, pull, slap, or otherwise physically punish the children.
2. DO NOT make fun of, yell at, threaten, make sarcastic remarks about, use profanity, or otherwise verbally abuse children.
3. DO NOT shame or punish the children when bathroom accidents occur.
4. DO NOT deny food or rest as punishment.
5. DO NOT relate discipline to eating, resting, or sleeping.
6. DO NOT leave the children alone, unattended, or without supervision.
7. DO NOT place the children in locked rooms, closets, or boxes as punishment.
8. DO NOT allow discipline of children by children.
9. DO NOT criticize, make fun of, or otherwise belittle children's parents, families, or ethnic groups.

I, the undersigned parent or guardian of _____, do
(child's full name)
hereby state that I have read and received a copy of the Facility's Discipline and Behavior Management Policy.

HENDERSON FAMILY YMCA DISCIPLINE POLICY

The philosophy of the program is based on mutual respect being shown for all participants. We relate to children on an individual basis. Rules and expectations will be made known to all children upon entry into the program. Should a discipline problem arise the following steps will be taken:

1. The child will be spoken to in hopes that discussion and redirecting the child to another activity is all that is required to correct the problem. A warning will also be given.
2. If the discussion and redirection does not seem to help, the child will be put in "time out" for a short period.
3. If "time out" does not improve the child's behavior the child will be removed from the group and taken to the site director's office. A documentation of the child's behavior (Bad Sports Report) will be made at that time. A conference with the site director would warrant a discussion with the parent.
4. Should the behavior problem continue, the parent or guardian, child, counselor and director will meet to discuss corrective procedures. Should this process prove unsuccessful and behavior problems are not corrected, the child may be dismissed from the program.

"TIME OUT" - Time out is the removal of a child for a short period of time (1 minute for every year of the child's age) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The 'time out' is located away from the group activity, but within the counselor's sight. During 'time out' the child has a chance to think about the misbehavior which led to his or her removal from the group. After a brief interval, the counselor discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown to other children.

STATEMENT OF DISCIPLINARY

**I, _____, the parent or guardian of
_____ do acknowledge and agree to the disciplinary
policy of the Henderson Family YMCA.**
